**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I do not want to end up with only one or two providers, who will raise prices and force me and others out of the market.

I use a competitive land line service, a competitive cell service and another wifi service.

I rely on all these services and oppose the USTelecom petition.
